Bucket policy

Edit Delete

The bucket policy, written in JSON, provides access to the objects stored in the bucket. Bucket policies don't apply to objects owned by other accounts. [Learn more](#)

The screenshot shows a web browser with two tabs. The first tab is titled 'Upload objects - S3 bucket harsh23' and the second is 'Login & Sign Up'. The address bar displays 'harsh23.s3.amazonaws.com/expt1adev/index.html'. Below the browser, a login form is centered on a light gray background. The form is a white box with a blue border. It contains the title 'Login' in bold black text. Below the title are two input fields: one for 'Username' and one for 'Password', each with its label to the left. At the bottom of the form is a blue button with the text 'Login' in white. Below the button is a link that says 'Don't have an account? Sign Up'.
